PROFI CLINIC 48

Highest Precision for the the highest standards

The ERKA. Profi 48 mm Clinic Model is a blood pressure monitor in a class of its own. It combines the efficient use of high quality materials with maximum measurement accuracy and optimal user comfort. Here too, the ERKA. Quality Management Check, which includes numerous material and functional inspections, guarantees precision and accurate handling ? for years. Specifically for the requirements of the everyday clinical environment, we have equipped the device with a protective cap.
